

REMARKS/ARGUMENTS

Favorable reconsideration of this application is respectfully requested.

The present amendment is supplemental to the Amendment filed September 13, 2005.

The present Supplemental Amendment is submitted to add new claims 59-69 for examination. New claims 59-69 correspond to previously pending claims 46-56 from the previous Amendment, but new claims 59-69 do not recite features with "means plus function" language. New claims 59-69 are believed to be allowable for reasons presented in the Amendment filed September 13, 2005.

As no other issues are pending in this application, it is respectfully submitted that the present application is now in condition for allowance, and it is hereby respectfully requested that this case be passed to issue.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
